

**Residential - Electric Terms and Conditions**

Product	<b>Green Fixed Price - AllGreen</b>
Electric Distribution Utility ("EDU")	<b>Columbus Southern Power Company</b>
Price and Length of Agreement	<b>5.49 ¢/kWh for 36 months</b>
Cancellation/Termination Fee	<b>None</b>

These Terms and Conditions together with the enrollment materials are your Agreement ("Agreement") for electric generation service with Energy Harbor LLC ("Energy Harbor"). Please keep a copy for your records.

Energy Harbor is certified by the Public Utilities Commission of Ohio ("PUCO") to offer and supply electric generation services in Ohio. As a Competitive Retail Electric Service ("CRES") provider, Energy Harbor will supply the electric generation to your Electric Distribution Utility ("EDU") based on your usage. Your EDU then distributes or delivers the electricity to you. Energy Harbor sets the generation prices and charges that the customers pay. The PUCO regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

**Definitions:** *Generation Charge* – Charge for the production of electricity. *Transmission Charge* – Charge for moving high voltage electricity from a generation facility to the distribution lines of the EDU. *Distribution Service* – Basic service for delivering electricity over a distribution system to a customer from the transmission system.

**Right of Rescission:** Once you have been enrolled to receive generation service from Energy Harbor, your EDU will send you a confirmation letter. You have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation letter by contacting the EDU by telephone or in writing as described in the letter. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDU will not send a confirmation notice upon any renewal of this Agreement.

**Eligibility:** Only eligible residential customer accounts may enroll in this offer from Energy Harbor. Percentage of Income Plan Program ("PIPP") and net metered customers are not eligible for this offer. Energy Harbor reserves the right to refuse enrollment to any Customer with an outstanding balance.

**Basic Service Prices:** During the term of this Agreement, you agree to pay Energy Harbor a price for combined electric Generation and Generation Related Charges, specified in the table above. Your Price to Compare ("PTC") consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to Energy Harbor. If your product in the table above is a % Off PTC product, your monthly price per kWh will vary because the EDU's PTC may change based on any changes made by the EDU in its calculations. In addition to Energy Harbor's charges, you will be charged by your EDU for distribution and various other charges.

**Length of Agreement:** Your service from Energy Harbor will commence with the next available meter reading following the applicable seven (7) day rescission period, the acceptance of the enrollment request by Energy Harbor, and the processing of the enrollment by your EDU. Your service will continue for the length of the service period as specified in your offer materials from Energy Harbor. In the event that any change in any statute, rule, regulation, order, law, or tariff promulgated by any court, governmental authority, utility, Independent System Operator ("ISO"), Regional Transmission Organization ("RTO") or other service provider, or any change in operating procedure, alters to the detriment of Energy Harbor its costs to perform under this Agreement, you may receive a notification from Energy Harbor. This notification will include a description of one or more of the situations described above. Energy Harbor may offer you new Terms and Conditions. You must indicate your affirmative consent to the new Terms and Conditions as specified in the notices. If you do not contact Energy Harbor to accept the new terms, this Agreement will terminate on the date specified in the notices, and you may be returned to your EDU for Retail Electric Service. Alternatively, Energy Harbor may decide to terminate this Agreement, and you will receive prior written notice of the termination, after which you may be returned to your EDU for Retail Electric Service. Whether Energy Harbor offers you new terms or terminates this Agreement under this provision, you will not be responsible for the cancellation/termination fee (if any) set forth in the table above. You must still pay all Energy Harbor charges through the date you are returned to your EDU or switched to another CRES provider for service.

**Billing:** You will receive a consolidated bill monthly from your EDU for both your Energy Harbor and EDU charges. Energy Harbor does not offer budget billing. If you do not pay your bill by the due date, Energy Harbor may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EDU as a customer. You will remain responsible to pay Energy Harbor for any electricity used before this Agreement is cancelled, as well as any late payment and early termination charges. Energy Harbor reserves the right to convert you from consolidated billing to dual billing if such a conversion will facilitate more timely billing, collections, and/or payment. Furthermore, your failure to pay EDU charges may result in your electric service being disconnected in accordance with the EDU tariff.

**Penalties, Fees and Exceptions:** Your EDU may charge you switching fees. If you do not pay the full amount owed Energy Harbor by the due date of the bill, Energy Harbor may charge a 1.5% per month late payment fee.

**Cancellation/Termination Provisions:** If this Agreement is not rescinded during the rescission period, enrollment will be sent to your EDU. You may terminate this Agreement, without penalty, if you move outside the CRES provider's service area or into an area where the CRES provider charges a different price, by providing Energy Harbor with a thirty (30) day written notice. There may be a Cancellation/Termination Fee indicated in the table above.

if you terminate this Agreement for any other reason, except as expressly provided herein. Customer and Energy Harbor both agree that the following will constitute force majeure events under this Agreement and that Energy Harbor shall have the right to terminate or modify the agreement without liability if: (1) the Electric Security Plan (ESP), Market Rate Offer (MRO) and/or Competitive Bid Process (CBP), or other generation procurement process results in a Price to Compare (“PTC”) that is equal to or less than the comparable annualized generation and transmission rates and riders in effect as of the effective date of this Agreement, or (2) the PUCO approves or implements a phase-in credit for generation and/or transmission charges of the EDU or takes any other action which affects the PTC or otherwise does not allow the EDU to reflect the full cost to procure generation and transmission in the PTC or other regulatory action. In the event that the program is terminated, you will be returned to your EDU’s standard service offer. Upon termination with Energy Harbor and return to standard offer service with your EDU, you may not be served under the same rates, terms, and conditions that apply to other EDU customers.

**Customer Consent and Information Release Authorization:** By choosing to accept this offer from Energy Harbor you understand and agree to the terms and conditions of this Agreement with Energy Harbor. You authorize Energy Harbor to obtain information from the EDU that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. Energy Harbor reserves the right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by Energy Harbor following acceptance of your enrollment request by Energy Harbor, the end of the seven (7) day rescission period, and subsequent acceptance of the enrollment by your EDU.

**Customer Consent to Communications:** By signing this Agreement, you agree to receive pre-recorded/artificial voice messages calls and/or use of an automatic dialing device, text messages and/or emails from Energy Harbor or its agents/assigns at any phone number or email address. You agree to be responsible for any charges you may receive on that number, including standard telephone, SMS or text message fees. You may revoke this express consent at any time by calling us at 1-888-254-6359. Such revocation has no bearing on your ability to contract with Energy Harbor.

**Contract Expiration / Automatic Renewal:** At the end of its term, this Agreement will expire, or at Energy Harbor’s option, automatically renew for a term less than or equal to its initial term unless you affirmatively cancel the Agreement. If this is a renewal Agreement and you do not affirmatively cancel as outlined in your notice of renewal, then your Retail Electric Service from Energy Harbor will automatically renew as outlined in your notice of renewal. You will receive written notification(s) from Energy Harbor in the forty-five (45) to ninety (90) days that precede either the expiration date of this Agreement or the effective date of any changes Energy Harbor proposes to its terms of service. In these advance notifications, Energy Harbor will explain your options, which may include renewing the Agreement, the specified rate, proposed changes if any, and what actions you must take to cancel the Agreement. You are responsible for arranging your electric supply upon the expiration of the Agreement.

**Dispute Procedures:** Contact Energy Harbor with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) from 8 a.m. to 5 p.m. EST weekdays, or in writing at Energy Harbor, Attn: Contract Administration, 168 East Market Street, Akron, OH 44308. Our web address is [www.energyharbor.com](http://www.energyharbor.com). If your complaint is not resolved after you have called your electric supplier and/or your electric utility, or for general utility information, residential and business customers may contact the Public Utilities Commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll free) from 8 a.m. to 5 p.m. weekdays, or at <http://www.puco.ohio.gov>. Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio relay service). The Ohio Consumers’ Counsel (OCC) represents residential utility customers in matters before the PUCO. The OCC can be contacted at 1-877-742-5622 (toll free) from 8 a.m. to 5 p.m. weekdays, or at <http://www.pickocc.org>.

**Miscellaneous:** You have the right to request from Energy Harbor, twice within a twelve (12) month period, up to twenty-four (24) months of payment history, without charge. Energy Harbor is prohibited from disclosing a Customer’s Social Security number and/or account number(s) without the Customer’s written consent except for Energy Harbor’s collections and reporting, participating in programs funded by the universal service fund, pursuant to section 4928.52 of the Revised Code, or assigning a customer’s contract to another CRES provider. Energy Harbor’s environmental disclosure statement is available for viewing on our website [www.energyharbor.com](http://www.energyharbor.com). You agree that Energy Harbor will make the required annual and quarterly updates to the disclosure statement electronically on our website. Energy Harbor will also provide the information upon request. Energy Harbor may assign its rights to another, including any successor, in accordance with the rules and regulations of the PUCO. Energy Harbor assumes no responsibility or liability for the following items that are the responsibility of the EDU: operation and maintenance of the EDU’s electrical system, any interruption of service, termination of service, or deterioration of the EDU’s service. **In the event of a power outage, you should contact your local EDU.** Customer is responsible for providing Energy Harbor with accurate account information. If said information is incorrect, Energy Harbor reserves the right to reprice the applicable account(s) or terminate the Agreement. Energy Harbor reserves the right to return any customer to the EDU if the customer’s rate code is changed and the account is no longer eligible for this offer. Customer authorizes but does not obligate Energy Harbor to exercise customer’s governmental aggregation opt-out rights.

**Warranty:** Energy Harbor warrants title and the right to all electricity sold hereunder. THE WARRANTIES SET FORTH IN THIS PARAGRAPH ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.

Green Energy Price Disclosure Statement	
Product (Rate Structure)	<b>Green Fixed Price – (AllGreen)</b>
Percentage of Green Energy	<b>100%</b>

Competitive Retail Electric Supplier ("CRES")	<b>Energy Harbor</b>
Electric Distribution Utility ("EDU")	<b>Columbus Southern Power Company</b>
Green Energy Price	<b>5.49 ¢/kWh</b>
Length of Agreement	For <b>36</b> months
Cancellation/Termination Fee	<b>None</b>

Energy Harbor provides you with Retail Electric Supply, subject to the terms and conditions contained in your Agreement. Energy Harbor's 100% green energy product, "AllGreen", is a Renewable Energy Certificate ("REC") product and does not contain electricity. A REC represents the environmental benefits of 1 megawatt hour (MWh) of renewable energy that can be paired with electricity. Your REC purchase supports renewable electricity production in the region of generation. For every unit of renewable electricity generated, an equivalent amount of RECs is produced by purchasing and pairing RECs with your electricity service, you are using and receiving the benefits of that renewable electricity. Your REC purchase also helps build a market for renewable electricity. Increased demand for renewable electricity helps reduce conventional electricity generation in the region where the renewable electricity generator is located. It also has other local and global environmental benefits, which may include emitting little or no regional air pollution or carbon dioxide. For more information, see [www.green-e.org/rec](http://www.green-e.org/rec).

AllGreen RECs are verified and certified by Green-e Energy and meets the environmental and consumer-protection standards set forth by the nonprofit Center for Resource Solutions. Energy Harbor is required to disclose the quantity, type and geographic source of each certificate. Green-e Energy also verifies that the renewable energy certificates are not sold more than once or claimed by more than one party. Please refer to the attached **Product Content Label** for this information.

Your **fixed green energy price** includes the cost of the AllGreen REC as well as your electricity and **will not change through the Length of Agreement**. Your EDU will bill you for total electric service including transmission, distribution, and your monthly green energy charge from Energy Harbor. Your Agreement will start with your next available meter read date and will continue through the Length of the Agreement. Your actual meter read date is determined by your EDU.

The **average monthly electricity consumption** for a U.S. Residential utility customer is **867 kWh per month** while the average monthly electricity consumption for a U.S. Commercial utility customer is **6,143 kWh per month** [Source: EIA, 2017]. The following table provides you an **estimate** of your monthly green energy charge based on this usage. Your actual bill will vary based on your use of electricity. Per the terms and conditions of your Agreement, you may be charged a late fee of 1.5% of the total amount due if payment is not received by the due date.

Example Bill Calculation	
Average Monthly Electricity Consumption (A)	<b>867 kWh</b>
Green Energy Price (B)	<b>5.49 ¢/kWh</b>
Monthly Green Energy Charge (A) x (B ÷ 100)	<b>\$47.60</b>

Green-e Energy requires companies to provide their customers with this notice of Price and Terms and Conditions of service. From the time you receive this, you have either 7 calendar days (Customers in Ohio) or 3 calendar days (Customers in Pennsylvania) to change your mind about purchasing green energy. You may cancel your Agreement to purchase this product from Energy Harbor by calling the customer service number or writing to the billing address listed below.

Energy Harbor  
 168 East Market Street Akron, OH 44308

**2020 ALLGREEN PROSPECTIVE PRODUCT CONTENT LABEL<sup>1</sup>**

AllGreen is sold in blocks of 1,000 kilowatt-hours (kWh) or matches 100% of your electricity usage. In 2020, AllGreen will be made up of the following new renewable resources averaged annually.

Green-e Energy Certified New <sup>2</sup> Renewables in AllGreen 2020		Generation Location
Biomass	0%	
Geothermal	0%	
Low Impact Hydroelectric	0%	
Solar	0%	
Wind	100%	National
<b>Total Green-e Energy Certified New Renewables</b>	<b>100%</b>	

1. These figures reflect the renewables that we have contracted to provide. Actual figures may vary according to resource availability. We will annually report to you before August 1 of next year in the form of a Historic Product Content Label the actual resource mix of the electricity you purchased.
2. New Renewables come from generation facilities that first began commercial operation within the past 15 years.

For comparison, the current average mix of resources supplying the US includes: Natural Gas (32%), Coal (30%), Nuclear (20%), Renewable Non-hydroelectric (10%), Renewable Hydroelectric (7%), and Oil (1%). [Source: EIA, 2017].

The average home in the United States uses 867 kWh per month. [Source: EIA, 2017].

AllGreen is a Renewable Energy Certificate (REC) product and does not contain electricity. A REC represents the environmental benefits of 1 megawatt hour (MWh) of renewable energy that can be paired with electricity.
